Struck by Naugatuck Special in Rear of Thermos Plant Sunday Evening-Had Bad Fracture of Skull and Cuts and Bruises About Body.

Thomas McClimon, about 45 years man had a badly fractured skull and fage, was struck and instantly killed was cut and bruised about the body. His head and face were disfigured to some extent but the features were clock by the Naugatuck, superintenof age, was struck and instantly killed Sunday evening a few minutes after 7 o'clock by the Naugatuck, superinten-dent's special, in the rear of the Ther-mos plant on Laurel Hill. The special was running about 10 minutes ahead of the passenger train that left the New Haven station at o'clock. The engineer quickly oped his train and the body was loved from the front of the engine

and one of the train crew was left with the body by the side of the track. The special then went on and word was telegraphed back to this city from Gales Ferry.
Captain D. J. Twomey was notified

BY TOWN OF WATERFORD Selectmen Say He Collected Money Under Fake Pretenses.

ASSESSOR PEABODY SUED

George W. Peabody, assessor of the own of Waterford, has been made the defendant in a suit brought by the town for obtaining money under false pretenses. The town charges that Peabody presented and was paid a bill for services as assessor which he did not render the town.

Under a recent statute of the state, the salaries of assessors of a town were fixed at 2.50 for time actually spent. In February the three asses-sors of the town of Waterford, George W. Peabody, Charles H. Peabody and Smith, presented bills for 44 ays' labor at \$2.50 a day. First Selectman Gurdon S. Allyn de-

clined to approve the bills and order them paid until they were investigated as he was then unfamiliar with the statute regarding the salaries. At the same time a bill for \$100 for services of a clerk was presented. The first selectman upon investigation found that the bills were presented for the amount per day provided by the sta-

The defendant in this suit presented his bill for the same number of days' services as the other two assessors and in March all the bills were paid by the town. Four or five days ago n his return from a business visit ut of town First Selectman Allyn was alled on the telephone and he was asked by a resident of the town if he absent from his duties as assessor for ten days. First Selectman Allyn stated private preserves have. From \$5 to preserve have an excellent horse-man and is now in the Texas Rangers. He says the people there are more of less excited all the time in expectation less excited all the time in expectation less excited have a private preserve have. bsent from his duties as assessor for

First Selectman Allyn immediately tarted an investigation and found hat Assessor Peabody had been absent ten days and that he had actually served only 34 days instead of 44, having rendered his bill for \$25 more than he was entitled to.

He consulted with Attorney John J Lawless with the result that First Se-lectman Allyn and Second Selectman Stanley Morgan ordered suit brought against Peabody in behalf of the town. work of propagating fish and game in The suit is for \$50 for double damages ler a statute provided for such

BOSTON SPEAKER WAS

value \$1.00 a yard.

UNABLE TO ATTEND. J. C. Orcutt Had to Attend Hearing in Boston.

J. C. Orcutt, secretary of the agricultural committee of the Boston Chamber of Commerce, who was to have delivered a lecture at the New London Vocational school Friday afternoon under the auspices of the New London County Improvement league, was unable to be present. Mr. Or-cutt was summoned to testify in a hearing of the interstate commerce commission in Boston and did not leave the stand in time to catch his

train. President C. D. Whitman of the league also sent word that he wold be to reach the meeting on avcount of the deplorable condition of the roads. With the non-appearance of Mr. Orcutt the lecture was postponed and the visitors were shown over the Vocational school by Pro-fessor F. S. Hitchcock.

To Provide Waiting Room.

After making extensive improve-ments on the freight shed the Nerwich-New York Propeller company is to complete the improvements on its property by remodeling and en-larginb the office and putting in a waiting room. These improvements, which are to be completed this week, will make about 100 feet more docking

Has Signed Requisition. Governor Holcomb has signed requisition on the governor of New York for the extradition of Ralph Martine, who is wanted in Colches-ter on the charge of assault with intent to kill. State Policeman Prank Varelli has been authorized to

May Start New Business. Two men who were in the clothing business in New Jersey, were in town last week looking for a location They were well satisfied with Norwich but gave no definite state-ments as to whether they will go into business here or not.
